

How do you bring affordable broadband to your community?

It's easy: [Join ATS](#)

Step 1

Acquire 2.5 GHz Last Mile Radio Frequencies from FCC

COMPLETED

ATS members will get paid for use of their spectrum on the ATN

Step 2

Build the Last Mile Alaska Tribal Network (ATN)

Step 3

Provide an Affordable Middle Mile

Adopt a Tribal Resolution to join ATS to install the ATN in your community with federal funding from the NTIA.

ATS will do all the rest.

WHEN AWARDED

Tribal governance

Affordable or free broadband

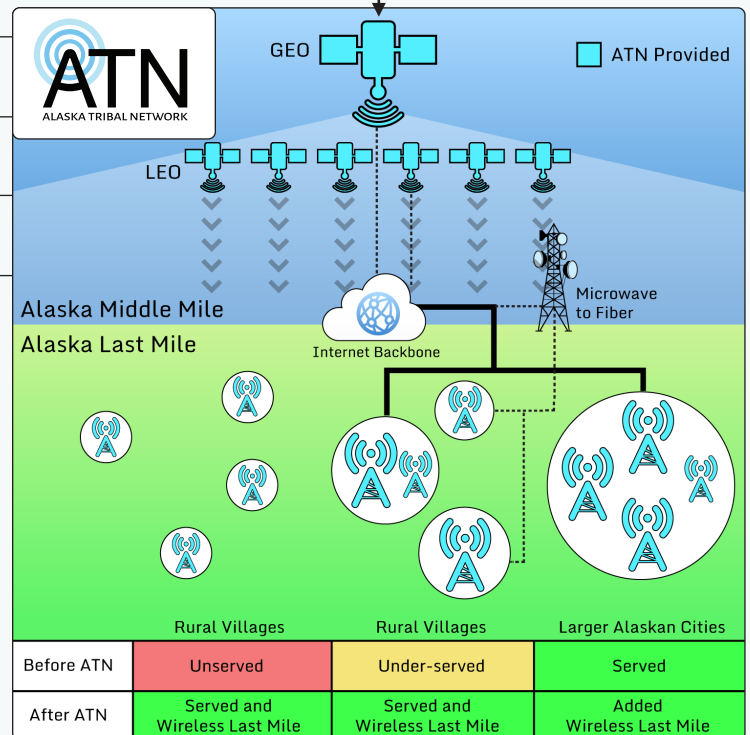

Earn revenue for community spectrum use

Future phone broadband
